Jonathan Faia
Laboratory Testing, Inc.
2331 Topaz Drive
Hatfield, PA 19440-1936

Dear Mr. Faia,

Congratulations! Your organization has been approved for accreditation by the American Association for Laboratory Accreditation (A2LA) in the mechanical and chemical testing and calibration fields for the tests and calibrations identified on your Scopes of Accreditation. Your Certificates and Scopes of Accreditation will also be added to the searchable database of accredited organizations on our website, www.A2LA.org. Please note, it may take up to one business day for the newly issued certificate and scope to appear on our online directory.

Your organization is now accredited to ISO/IEC 17025: 2017 through March 31, 2025, by virtue of the on-site assessment of your organization which took place February 6-9, 2023, and an evaluation of all activity related to the assessment by the A2LA Accreditation Council. One year prior to your accreditation anniversary date, you must pay an annual review fee and submit updated information on your organization. In addition, A2LA must be notified in writing within 30 days at any time that significant changes occur in your organization's location – i.e. ownership, management, authorized representative, primary contact, or major facilities.

As an organization accredited by A2LA, you can enjoy the benefits of using your accreditation for promotional and advertising purposes. The A2LA requirements for referring to your A2LA Accredited status may be found in document R105 – Requirements When Making Reference to A2LA Accredited Status located on your CAB portal along with various versions of the 'A2LA Accredited' symbol. As noted in this document, the ILAC MRA mark may only be used in economies where it is registered. A2LA has also made the promotion of your A2LA Accreditation easy by providing you with helpful tips and advice in our 'G125 - A2LA Promotion of Accreditation Information' also located on your CAB Portal. Please be sure to read both documents to ensure you are maximizing the benefits of promoting your A2LA Accreditation. When promoting or providing proof of your accreditation, please use your Scopes of Accreditation, as this document details the specific tests and calibrations which are accredited. The Certificates are to be used for display purposes only.

We would like to take this opportunity to say that we appreciate your participation in the leading national accreditation program and we welcome your questions and feedback at any time. We are pleased that you have chosen to continue as an A2LA accredited organization.

Sincerely,

Trace McInturff
Vice President, Accreditation Services
