Subj: NCA-3300 Amendment Memo for LTI Quality System Program Manual, Rev. 21, Issued May 1, 2019

To: Copy Holders of LTI Quality System Program Manual, Rev. 21, Issued May 1, 2019

In the 2023 edition update of ASME BPVC Section III, all references to NCA-3800 have been updated to instead reference NCA-3300.

Therefore, by this amendment memo, all references to NCA-3800 in LTI's Quality System Program Manual (QSPM), Revision 21 issued May 1, 2019, shall be considered superseded by NCA-3300 until the QSPM is updated to reflect the change.
